CARTERET DISABILITIES AWARENESS DAY

2012

“CARING AND SHARING”

Mayor Daniel J. Reiman will proclaim Sunday, March 18, 2012 as
CARTERET DISABILITIES AWARENESS DAY

The theme is “Caring and Sharing” as the Carteret Office for the Disabled presents the 28th Annual “Carteret Disabilities Awareness Day” which will be held on Sunday, March 18, 2012 at St. Demetrius Hall, 681-691 Roosevelt Avenue, Carteret, from the hours of 12:00 Noon to 4:00 P.M.

This event is only made possible through the combined efforts of many volunteers from non-profit organizations, Borough departments, and businesses within our community. These groups supply their services for all needs from setting up, donating or making and serving refreshments, supervising information booths and exhibit tables, to cleaning up at the end of the day.

Carteret Disabilities Awareness Day is held as an informational and social gathering to be enjoyed by all community residents and their friends. Billy Drew Entertainment will provide music for all to enjoy. There will also be informational Displays and free refreshments.

We hope to see you at this fun filled and entertaining event.
